WORK EXPERIENCE

Atheer Labs

Mountain View, CA

SmartGlass-Android Application Developer (Intern)

June 2016 - September 2016

- Developed SmartGlass AR application for Atheer's AR Suite via custom SAP-ERP backend RESTful API integration for the following use-cases:
 - Field Service Technician scenario with SAP service transaction/notification
 - Warehouse Inspection scenario with SAP inventory/barcode data retrieval
- Independently developed the application, leading the entire software build cycle and successful deployment of the SmartGlass AR-SAP Kickstarter app on Atheer's AiRGlasses, Vuzix M100 and Recon Jet devices with an SAP ERP 6.0 EhP7 backend.
- Provided SmartGlass AR competitive marketing analysis and ROI roadmap for solution build to engineering & business development teams at Atheer

De Anza Cupertino Aquatics

Cupertino, CA

Swim Instructor

May 2013 - September 2015

- Certified Swimming Instructor having taught more than 120 students including those with disabilities as well as competitive swimmers

Other Part-time Work Experience

Cupertino, CA

Assistant to De Anza College & Evergreen College Professor

November 2014 - September 2016

- Created exam answer sheets and graded assignments for advanced college-level math courses including Differential Equations, Calculus II, and Statistics courses
- Prepared MS-Excel templates and media content for professor's go-to tutoring website for students
