WORK EXPERIENCE

Atheer Labs   **Mountain View, CA**
SmartGlass-Android Application Developer (Intern)   *June 2016 - September 2016*
- Developed SmartGlass AR application for Atheer's AR Suite via custom SAP-ERP backend RESTful API integration for the following use-cases:
    - Field Service Technician scenario with SAP service transaction/notification
    - Warehouse Inspection scenario with SAP inventory/barcode data retrieval
- Independently developed the application, leading the entire software build cycle and successful deployment of the SmartGlass AR-SAP Kickstarter app on Atheer's AiRGlasses, Vuzix M100 and Recon Jet devices with an SAP ERP 6.0 EhP7 backend.
- Provided SmartGlass AR competitive marketing analysis and ROI roadmap for solution build to engineering & business development teams at Atheer

De Anza Cupertino Aquatics   **Cupertino, CA**
Swim Instructor   *May 2013 - September 2015*
- Certified Swimming Instructor having taught more than 120 students including those with disabilities as well as competitive swimmers

PROJECTS

Personal Website - https://jkannn.github.io/portfolio
- Hardcoded personal website portfolio in HTML5, CSS3, and JavaScript
